

## **Minutes from the Trustee meeting - Feb 7<sup>th</sup> 2010**

### **In attendance:**

Cedric Jasso  
Marie Miller  
Robert Frosch  
Mary Frosch  
Duke Deitz

### **Election of new officers:**

The following member have been elected as officers for the trustee committee.

Duke Deitz –chairman  
Robert Frosch – vice chairman  
Mary Frosh – Treasurer

### **Old business:**

Paint bell tower cross –to be completed during the next church work day, or if a bucket truck became available.

Fix asphalt in the south parking lot. –contact Mr. Jackson about what the fix would entail.

Drain from the ice machine – make the connection when scheduling and weather permit.

Fix lighting above the stain glass windows – to be completed during the next church work day.

Paint the cabinets in fellowship hall –See if David Goble could perform this task. Mr. Goble has volunteered to do some “honey do’s” for the church while he and his wife are wintering here from Iowa.

Tile by the pass through in the fellowship hall kitchen- check with Claire, I think we have a volunteer to do this.

Fix roof leaks – call Steve Borden and get a professional opinion, to see if it’s something we could fix ourselves.

Remodel hall way bathrooms – we’re ready to start, Robert Frosh will be getting cost to proceed with this project.

**New business:**

UMW would like to replace some of the folding tables with new ones that have the plastic top and are lighter the UMW would like to sell off some of the older heavier tables to help purchase the new ones.. – The committee would love to replace the older tables, but would not like to sell them, since they are often borrowed by church members for garage sales, and other family functions.

It was suggested that we create an opening on the second floor, to the gym, above the MAC kitchen. And purchase an dumb waiter to put items such as things for the ladies bazaar upstairs. – the committee will be seeking some clarity on this, and get some specific costs.
