

Mission Committee Minutes 2/10/11

In attendance: Ed Kemp, David Robertson, Carol Krum, April Gallagher, Mike Hofacket

Meeting opened with prayer by Ed Kemp.

Ed thanked several people:

- April Gallagher, Carol, Krum and himself for doing the Mosquito Information Program light dinner
- Barbara Walsh and Carol Krum for giving necessary December announcements for the Mission Committee
- Barbara Walsh, Phyllis Mudd for January Special Sunday: Human Relation announcements
- Beth Simpson for announcing meeting schedule changes
- Claire Phillips for communications sent out about Mission Committee activities
- Ernie and self for getting together and working on 2011 calendar

It was decided that minutes will be distributed and if no one objects to anything, they will be automatically approved.

Agendas for meetings will be distributed at each meeting and not sent via e-mail ahead of time.

Breadbasket Offering dates for 2011, except for Peace with Justice, were approved. A handout of these dates was passed out to committee members. David will find out more information on Peace with Justice before a decision concerning it is made.

A report on visiting New Beginnings was given by Ed Kemp. Both Stewart Arington and Ed visited the facility run by Pastor Rose. This organization will be the focus of the Breadbasket Offering in February. No one was selected at this meeting to speak at either church service about this offering.

Ed gave a report on the Ad Hoc committee he setup for working with *Imagine! No Malaria*. That committee met for the first time on February 9, 2011 and is looking at doing a fundraising dinner in April. More information will be provided at a later date.

The next meeting will be on March 3rd at 5:30.

Mike Hofacket closed the meeting in prayer. Minutes taken by David Robertson in the absence of the regular secretary.
