

**Mission Committee Meeting**  
**6/3/10**

In attendance:

Ed and Marge Kemp, Carol Krum, Barbara Walsh, Debbie and David Robertson

Ed opened the meeting with prayer

Guest speaker Victoria Speaker spoke on the needs in Palomas. She is part of the Palomas Outreach program, not affiliated with any particular church. Many of the people in Palomas are gone and 2/3 of the people left are children. There is a need for food for these people. Her group is able to take food to the people needing it. She is asking for beans and rice. She gave several web addresses to use if needing more information. One was [childrenofpalomas@yahoo.com](mailto:childrenofpalomas@yahoo.com)

Following a long discussion about information given in the presentation, it was decided that more information is still needed before sending food to Palomas.

Ed passed out a sheet for those interested to sign up to present the Breadbasket information on assigned Sundays. Carol said that she did not mind presenting as long as she has the information ahead of time. Several suggestions were made as to how the presentations should be made, and as to who could make them. Barbara suggested several people and recommended letting them know several weeks in advance. She did not think that signing up volunteers through December was a good idea, maybe just through October. Names given were Kathryn and Duke Dietz, Mary Lou Cameron, Phyllis Mudd, Wendell, Vicki Hofacket, Marge Kemp, Corry Vineyard, and Gene Sanderlin. She also recommended calling people and asking them rather than having them sign up.

It was decided that there were not enough people to have officers on the committee other than the chairman and secretary.

Ed conducted a conversation on what the responsibilities of the this committee are in relationship to other committees in the church. He felt that this was something that may need to be revisited.

Ed is having surgery on Monday so the workshop on diabetes has been put on hold.

The next meeting will be on July 15, 2010.

Ed closed the meeting in prayer.
